NOTICE OF MEETING

On Thursday, September 28, 2006, the Little Hoover Commission will conduct a public hearing on California's strategies to address the health and health care needs of its residents. The hearing will begin at 9 a.m. in Room 437 of the State Capitol in Sacramento.

The hearing is part of the Commission's review of California's publicly-funded health care system. At this hearing, the Commission will examine the State's goals for health care, the policies and practices in place to achieve those goals and the associated challenges. A complete agenda is on the reverse.

The Commission intends to complete its review in early 2007 and issue findings and recommendations for reform to policy-makers.

There will be an opportunity for public comment at the end of the hearing. The Commission also encourages written comments.

All public notices for meetings are on the Commission's Web site, www.lhc.ca.gov. If you need reasonable accommodation due to a disability, please contact Stuart Drown at (916) 445-2125 or littlehoover@lhc.ca.gov by Thursday, September 21, 2006. Commission hearings can be viewed via Webcast within a week after the hearing date on the California Channel Web site, www.calchannel.com.
