Meeting Goals:

To learn about the ways in which the underground economy is particularly pertinent to Los Angeles and surrounding areas of Southern California, and how local, state and federal agencies address these problems through targeted programs or collaborative partnerships.

10:30 – 10:40 a.m. Welcome and Introduction: Subcommittee Chair Pedro Nava and Executive Director Carole D'Elia.

10:40 – 12:30 p.m. Discussion: Stakeholders representing a wide range of perspectives will discuss the ways in which they identify issues associated with the underground economy, investigate and develop cases, and pursue administrative or criminal penalties against violators. They also will discuss the factors that determine a program's or task force's effectiveness, and reform ideas that the Commission may be interested in considering as it continues its study.
