**LITTLE HOOVER COMMISSION WELCOMES THE CREATION OF  
THE GOVERNOR'S OFFICE OF ECONOMIC DEVELOPMENT**

The Little Hoover Commission welcomes the creation of the Governor's Office of Economic Development, announced today by Governor Arnold Schwarzenegger. This implements a key recommendation of the Commission's report released in February, *Making up for Lost Ground: Creating a Governor's Office of Economic Development*.

This is an important development that comes at a critical time for California. The Commission hopes the office soon can be established in statute to ensure it can produce lasting benefits.

Daniel Hancock

Chairman, Little Hoover Commission
