In January 1980 the Governor transmitted to this Commission a preliminary draft of Reorganization Plan No. 1 of 1980 which would transfer the occupational licensing and regulation of mobilehome manufacturers, dealers, distributors, salespeople, and transporters from the Department of Motor Vehicles to the Department of Housing and Community Development. This preliminary proposal, together with supporting information, was reviewed in detail by the Commission. The reorganization proposal was formally presented to the Commission on March 14, 1980 and a public hearing on the proposal was held by the Commission on March 20, 1980.

Upon receipt of further testimony which supplemented prior Commission analysis, the Commission concurred that the reorganization action proposed by the plan is in the public interest.

The Commission members unanimously urge that the plan be allowed to become effective on the date specified by Government Code Section 12080.5.

Sincerely,

NATHAN SHAPELL
Chairman
